Seminar will be in *Warrenton, VA*
and

will be held at :

Hampton Inn

501 Blackwell Rd
Warrenton, VA
540-349-4200

Learn:

Breeding schemes for success in the meat business

What to look for in a bull

Eye appraisal in cattle

Structural correctedness and why it matters

Necessity of a good mineral program

KEN is the breeder of the Rotokawa® Devon herd and is a world renowned breeder of seed stock cattle.

Ridge will talk about marketing, pastures and minerals for success in 100% grass operations.

In the afternoon, the seminar moves to nearby Thistle Hill Farm, a Devon seed stock farm which also produces and sells 100% grass-fed beef. (Devon burgers will be served!)

Come and learn !!!
